UNITAR's International Law Programme is constantly developing new courses on international law in order to respond to the high demand for this kind of training. Thus, the list of courses offered will be updated as appropriate on our website.

Course Fees

A fee is charged for taking the above-mentioned e-Courses on International Law.

However, **partial fellowships** are available in the form of reduced fees aimed at participants from least developed countries, developing countries and countries with economies in transition.

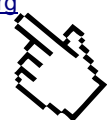

Please consult the following link: <http://www.unitar.org/ilp/> in order to know the exact fee amount per country and course.

In addition, a limited number of **full fellowships** in the form of tuition waivers could be available to applicants from least developed countries (LDCs).

Contact
