

## 09) 890m Japanese fern palms (*Cycas revoluta*) ソテツ

Jo-onji Temple 長遠寺内

3-10-4 Otemachi, Naka-ku, Hiroshima 中区大手町三丁目 10-4

The palms were burned by the atomic bomb but sprouted again from the roots. When the current temple building was constructed, the palm trees were moved to the present locations from near the gate of the temple.

The grave of a famous novelist, Suzuki Miekichi (1882-1936), is located here.
