UNITAR e-Newsletter Special Edition on Rio+20 June 2012

Dear Reader,

The United Nations Conference on Sustainable Development (or the Rio+20 Conference) will take place in Rio de Janeiro, Brazil, in June 2012. It is an historic opportunity to define pathways to a safer, more equitable, cleaner, greener and more prosperous world for all.

More than 500 side events will take place during 13-22 of June, and UNITAR, together with its partners, is holding a series of events to which we are dedicating this special edition of our e-Newsletter.

All the information you need to participate in the UNITAR's events is now only one click away!

Happy reading!
