ANTECEDENTES

The main intention of hosting such a Webinar about Homelessness is to raise awareness about the phenomenon and global challenge of Homelessness within the Sustainable Development Agenda (Agenda 2030) and also to encourage stakeholders around the globe to take formal steps to deal with such challenges.

Homelessness is a global phenomenon that is highly prevalent in many cities across the world. There has been a number of programmes directed at homelessness in the City of Durban (eThekweni Municipality). It will be beneficial to share experiences around this global phenomenon and it is for this reason that Cifal Durban and its partners has undertaken to collaborate with Unitar and Cifal York to host this Webinar.

OBJETIVOS DEL EVENTO

Raise the importance of sustainable support to alleviating homelessness, its challenges and lessons learned from a South African and Canadian perspective.

OBJETIVOS DE APRENDIZAJE

At the end of the Webinar, participants will be able to:

1. Share experiences and ideas on homelessness during COVID-19.
2. Have a definite definition of Homelessness.
3. Formalize a policy position, framework, uniform norms, standards and procedures.
4. Deliberate on uniform support, funding and budget mechanisms.
5. Determine the kind of social infrastructure needed to support homeless people.
6. Align the support with human rights.
7. Establish roles and responsibilities of different stakeholders.
