NSSOAP Nepal Orientation - webinar series - 4 day hybrid event

People

- **Type:** Webinar
- **Date:** From 19 July 2021 to 22 July 2021
- **Duration:** 4 days
- **Project Area:** Decentralize Cooperation Programme
- **Email:** globalsurgery@unitar.org

**Partnership:** Ministry of Health and Population - Nepal, Nick Simons Institute, PGSSC, The Global Surgery Foundation

**Background**
The Nepal NSSOAP Orientation Webinar Series is a virtual event co-hosted by the Ministry of Health and Population (MoHP) and the United Nations Institute for Training and Research (UNITAR). This orientation marks an important milestone in a roadmap towards formulating a National Surgical, Obstetric and Anaesthesia Plan (NSOAP) for Nepal. The webinar will be highly interactive and provide information pertaining to the NSOAP building process and current situation of surgical care in Nepal, including a preliminary consideration of how to develop a country-specific surgical, obstetric and anaesthesia (SOA) plan. The main objective of this webinar series is to orient all stakeholders to the NSOAP initiative.

**Activity Goals**
The series of meetings will engage key actors from various sectors, including Federal/ Provincial Government, Academia, Professional Societies, Private Sector and Donor Agencies.

**Times:**
Nepal: 5 - 7 pm
The series of meetings will engage key actors from various sectors, including Federal/ Provincial Government, Academia, Professional Societies, Private Sector and Donor Agencies.
