Reducciones en el coste o exenciones

De acuerdo con su política de asistencia financiera, UNITAR emite un número limitado de reducciones en el coste o exenciones a los participantes de países de bajos y medianos ingresos, con la prioridad asignada a los participantes de los países menos desarrollados. Por desgracia, UNITAR puede no ser capaz de responder favorablemente a todas las solicitudes, sin embargo, los trabajadores que trabajan en las Naciones Unidas, organizaciones regionales o internacionales, independientemente de su nacionalidad no son seleccionados para la reducción de coste o exención.

In today's fast-paced and interculturally connected world, the ability to create and maintain long-lasting professional and personal relationships leading to mutual value is a skill recognised and appreciated by more and more.

Cross-sectoral and cross-cultural communication becomes a norm, giving an advantage to those who can apply charismatic leadership, empathy, flexibility, professional networking skills, and cultural sensitivity in any given social or professional situation.

This innovative and highly interactive course **provides participants with this advantage** by equipping them with
