**Background**

Women’s equality and empowerment is one of the 17 Sustainable Development Goals, but also integral to all dimensions of inclusive and sustainable development. Gender equality by 2030 requires urgent action to eliminate the many root causes of discrimination that still curtail women’s rights in private and public spheres. CIFAL Curitiba understands that the social and economic development depends not only of innovation, but also of the equality between genders.

**Objective**

By the end of the webinar, participants will be able to understand the importance of SDG 5. The event aims to present the challenges and solutions for women practicing sports that have been traditionally practiced by men.

**Content and Structure**

The webinar is comprised of the following presentations:

- What are the Sustainable Development Goals
- Women in sports, challenges and solutions
The webinar is addressed to people interested in sports and gender equality
