BACKGROUND

Human mobility is a human right that needs to be addressed at different levels, but most importantly, from a public sector perspective. Reflecting on this need, CONGOPE and CIFAL Quito present this workshop to gather public officials, including governors and mayors of Latin America, so that local and regional authorities- vital partners to address the challenges that arise from migration- may discuss social, economic and cultural issues generated by migration.

EVENT OBJECTIVES

The main objective of this event is to provide coordinated and comprehensive responses that aim to allow decent solutions for the population in human mobility.

CONTENT AND STRUCTURE

The workshop covers the following topics:

- Territorialization of SDGs and Human Mobility
- CONGOPE Experience in Human Mobility
- Migration in the 2030 Agenda, Transversalization of Human Mobility in national planning

METHODOLOGY

The event is comprised of lectures, practical exercises and question and answer sessions.

TARGETED AUDIENCE

Public sector officials.
