EVENT OBJECTIVES

As part of the Online Master Programme in International Affairs and Diplomacy and related qualifications, offered in cooperation with the University Oberta de Catalunya (UOC), UNITAR designed a 5-day field visit to Geneva, Switzerland offering participants a full immersion into the city’s multilateral working environment.

In line with UNITAR’s mandate, its main purpose is to enhance participants’ knowledge and skills related to international affairs and diplomacy. This will enable them to work more effectively and efficiently in any multilateral setting.

UNITAR lastly intends to strengthen the participants’ conviction of the principles enshrined in the UN Charter, especially multilateralism. In the long term, this does not only result in participants’ more favourable view on the organisation, but also in a higher willingness to cooperate across borders.
