CERTIFICATE PROGRAMME FROM
UNITAR-NEW YORK OFFICE AND
LEEDS SCHOOL OF BUSINESS,
UNIVERSITY OF COLORADO BOULDER

OVERVIEW AND OBJECTIVES

“Leading with Ethics in Achieving the SDGs” is an online course that will assist decision-makers in fostering the character traits and developing the durable skills necessary for SDG Leadership. Using state of the art online learning methodologies, we will explore techniques used by ethical leaders and seminal leadership scholars to prepare participants to handle various ethical issues and conflicts related to the achievement of the SDGs*. Participants will engage in oral and written presentations to strengthen self-leadership, ethical leadership, ethical conflict resolution in team leadership, transdisciplinary leadership as well as other forms of shared leadership in the 21st century.

*In accordance with the 2030 Agenda and Sustainable Development Goals (SDGs)
