

YOUTH AND ROAD SAFETY

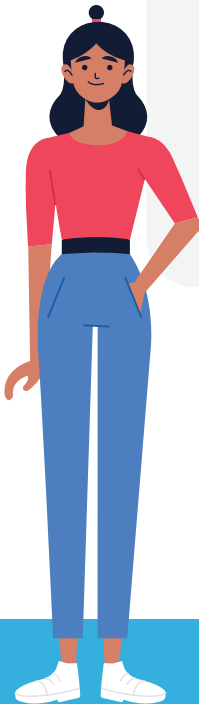

CHAMPIONING SAFER ROAD USERS

Did you know that road traffic injuries are the leading cause of death for children and young adults aged 5 – 29 years?

Are you keen on being a [#SaferRoadUser](#) and do your bit to help [#SaveLives](#)?

Would you like to be a [#YoungChampion](#) for [#RoadSafety](#)?

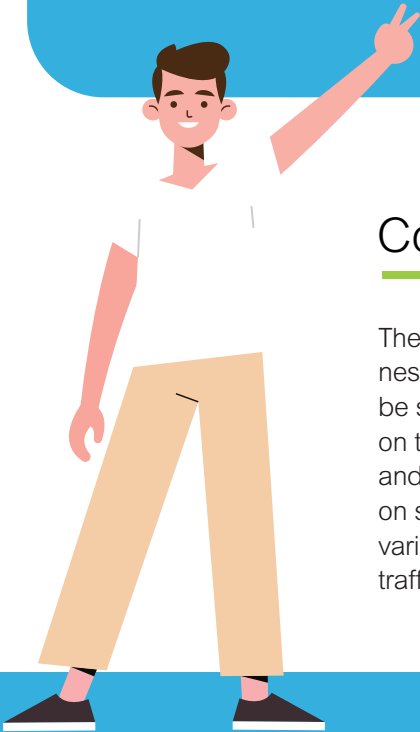

Sign up for our e-learning course

YOUTH AND ROAD SAFETY

CHAMPIONING SAFER ROAD USERS

Join fellow young champions and learn all about safer road behaviours and what each of us can do to help save lives!

Course overview

The e-learning course aims to raise awareness and build capacity among the youth to be safer road user champions. It sheds light on the importance of road safety measures and provides core skill sets and knowledge on safer road behaviours. It also explores various different ways to help combat road traffic injuries and death.

Course objectives

- To raise awareness on the need for road safety measures
- To understand the risk factors associated with road traffic crashes
- To develop core skill sets and knowledge on safer road behaviours
- To explore and analyze different ways to combat road traffic injuries and death

Course design

- **Course duration:** 90 minutes
- **Target audience:** Youth aged 15 – 24
- **Number of Modules:** 3

Course content

[Module 1](#) - The Global Framework of Road Safety

[Module 2](#) - Youth and Road Safety: Background and Context
